

Schedule of Events RC Combat July 11-13, 2023

July 10th

As soon as we have control of the field (including frequency control) and you have picked up your contest packet and badge, tech inspections and test flights can start.

July 11th

Tech inspections *** **BY 7:30 AM** ***

(760) SSC - Fly until noon lunch break (Approx. 5-7 rounds)

(763) GNAT - Fly at least 5 rounds

(761) Scale 2948 (Rain Date July 12th)

July 12th

Tech inspections *** **BY 7:30 AM** ***

Finish (760) SSC

Finish (763) GNAT

(762) Limited B - Fly at least 5 rounds

Start Provisional Event E-1000

July 13th

Tech inspections *** **BY 7:30 AM** ***

Finish (762) Limited B

Finish Provisional Event E-1000

*First round is planned to start at 8AM each day to help prevent losing rounds due to weather. Lunch Break will be planned for noon each day. Every attempt will be made to get in the **10 rounds** as planned. Days of the events will not change but the number of event rounds may be more or less in order to work around bad weather if needed. There will be a minimal break between classes.*
